Set in my boat

What 's your idea?
What is your vision?
What do plan?
What's your decision?
Get in my boat!
And come on with me!
Get in my boat!
And come on with me!
Jump in my ship
And build a dream with me

Strophe 2:

Strophe 1:

Do you think
Im completely wrong
Do you talk
This wont work
Get in my boat!
And come on with me!
Get in my boat!
And come on with me!
Jump in my ship
And build a dream with me

Bridge:

You'll never know

If we won't try

We may fail

We may fly
